## INTENSIVE PROGRAM ON VIRTUAL REALITY

### For Master's degree and degree students in Healthcare and Social Sciences

October 3rd, 2022 - October 7th, 2022

Helsinki, Finland

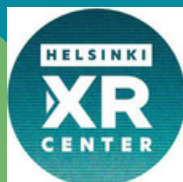

Provide students with space, time, and accompaniment so they can design their immersive technology applications.

Hands-on introduction to Virtual Reality and how we can apply it to Learning. We will have a look at success VR stories and reflect on how we can best use VR in classrooms.

Visit to Helsinki XR Center.
